Stage 2 Excursion

Stage Two visited the Hurstville Museum and Gallery this week attending the Past and Present Exhibition. The exhibition looked closely at the local community's changing landscapes.

In class, the children have been learning about the ever changing landscape of the St George area through our HSIE topic this term, Growth and Change.

The students went on an exciting fact hunt, exploring the museum's exhibition and discovering a lot about the local area. They were able to see examples of how suburban areas, schooling, household items and entertainment differed from past to present.

We enjoyed a historical walk to Hurstville Oval which was followed by a picnic lunch in the warm, winter sun.

New Enrolments for Kindergarten, 2016

I know it seems amazing, but yes, we are constantly enrolling new students for our 2016 kindergarten group. If you have a younger brother or sister at home who is ready to start next year or if you know of a family member or a neighbour who is due to start kindergarten in 2016 please encourage them to come up and fill out an enrolment form.
