Peakhurst West Cross Country Stars

On Thursday 21 May eleven of our top cross country students competed at the Regional carnival at Miranda. The students were Lauren, Finn, Zahra, Nick, Jarad, Andrei, Josh, Erin, Tarik, Eloise and Ai. The results were inspirational. Finn and Lauren both won the 12 years 3km race and were announced senior champions on the day. Incredibly Eloise also won the 10 years 2km race after falling at the start. Other excellent results were Nick in 15th, Josh 18th and Tarik in 21st position. I doubt there has ever been a school that has won three out of the eight races at a regional level and I doubt there will ever be again. It was a very proud day for the students and our school.

What has 2N been up to?

Throughout Term 2, every Thursday afternoon, 2N have been participating in the SISA Social Skills program. The students have been learning how to work as part of a team to achieve a set objective for each activity. As today will be their last session, they are feeling a bit sad, however, with the holidays only a hop, skip and a jump away, they are beginning to feel excited. The students have enjoyed the experience.

In class learning before their SISA session.

Our First Lawn Bowls Squad

A new sport has been introduced for Season Two of PSSA sport. There are three schools involved in the initiative; Peakhurst West, Peakhurst South and Lugarno. Each Friday the squad walks to Club Grandviews and enjoys the opportunity of learning a new sport. They are introduced to the basic skills by the club coach and then divide up and move to the rinks to practise with mentors from the club who guide them. After four weeks the children will be competing against each other and a mini tournament is planned for the last week of the season.
