## Hero for Heart Kids - Superhero Day

Dear Parents and Carers,

Our SRC has organised 'Superhero Day' as our fundraising event to support children born with heart disease.

On **Wednesday, 14th of June, 2023**, students are encouraged to dress up as their favourite superhero. Costumes are not limited to movie superheroes but can also include dressing up as a family member, celebrities, professions or someone they look up to.

Students must wear enclosed shoes and clothing appropriate for the weather. Please label all clothing.

A gold coin donation will be collected by SRC on the day which goes towards helping improve the lives and futures of those affected by Congenital Heart Disease (CHD). This includes in-hospital and family support programs, camps for children and young people living with CHD, as well as vital education days and peer support programs.

We look forward to seeing everyone in their costumes!

Kind Regards

Miss Clarissa Hamdi

SRC Coordinator

Mrs Rebecca Ingram
