### **K-2 SRE (Scripture) collection points**

Dear Parents and Carers,

Students will begin Special Religious Education (SRE) tomorrow, Thursday 9th March in the afternoon session; because of this you will need to collect your child from a different location or teacher in the afternoon.

Please refer to the highlighted section to determine where your child can be collected from.

Students attending non-scripture (K-2) will be collected between the infants buildings as usual, your child may be coming from a different classroom.

Students attending Catholic SRE (K-2) will be collected outside E-Block (opposite the library) from the grass area.

Students attending Islamic SRE (K-2) will be collected outside the library.

Students attending Protestant SRE (1-2) will be collected from outside E-Block near the toilet block.

**These lessons take place weekly and students will be dismissed from these locations every Thursday afternoon.**

Kind regards,

Monica Meoli  
SRE Co-ordinator
